01. Land vehicles	01-001	10 m ³ fuel dispenser and cistern				*		Procurement	06/2021
01. Land vehicles	01-002	20" CC container				*	*	Procurement	07/2021
01. Land vehicles	01-003	20" container (for special purposes)				*	*	Procurement	07/2021
01. Land vehicles	01-005	ATV					*	Procurement	07/2021
01. Land vehicles	01-008	FM1 / FM2 container		*		*	*	Procurement	07/2019
01. Land vehicles	01-009	Trailer		*				Small purchase	09/2019
01. Land vehicles	01-010	Trailer (terrain vehicle)	*					Procurement	09/2019
01. Land vehicles	01-013	K9 auxiliary vehicles					*	Procurement	07/2020
01. Land vehicles	01-014	Fuel dispenser 20m ³ (semi-trailer)					*	Procurement	07/2021
01. Land vehicles	01-016	Mobile jib crane 20T		*				Procurement	09/2019
01. Land vehicles	01-017	Motorcycle					*	Procurement	07/2021
01. Land vehicles	01-018	Field engineering heavy equipment				*		Procurement	06/2021
01. Land vehicles	01-019	Tow crane 8x8				*	*	Procurement	07/2020
01. Land vehicles	01-020	Towing tank					*	Procurement	07/2021
01. Land vehicles	01-022	Passenger car		*	*	*		Procurement	09/2019
01. Land vehicles	01-024	Civilian van		*	*			Procurement	09/2019
01. Land vehicles	01-025	Civilian terrain vehicle		*			*	Procurement	09/2019
01. Land vehicles	01-026	Truck 10–12 t container transporter		*				Procurement	09/2019
01. Land vehicles	01-028	Truck trailer (20" container, switch body)				*		Procurement	06/2021
01. Land vehicles	01-029	Truck trailer (20–30 t trailer)				*	*	Procurement	07/2021
01. Land vehicles	01-031	Warehouse lifter (diesel)				*		Procurement	06/2021
02. Ensuring the life cycle of land vehicles	02-001	Battery chargers			*		*	Procurement	07/2020
02. Ensuring the life cycle of land vehicles	02-006	Life cycle (major repairs of armoured personnel carriers as a service, IV line)	*	*	*	*	*	Procurement	09/2019

02. Ensuring the life cycle of land vehicles	02-007	Life cycle, heavy equipment maintenance and repair (heavy equipment, including superstructures and accessories)	*	*	*	*	*	Procurement	09/2019
02. Ensuring the life cycle of land vehicles	02-008	Life cycle of a trailer	*	*	*	*	*	Procurement	09/2019
02. Ensuring the life cycle of land vehicles	02-012	Life cycle of Leo 1 auxiliary tanks	*	*	*	*	*	Procurement	09/2019
02. Ensuring the life cycle of land vehicles	02-019	Safety equipment and markings for land vehicles		*	*	*	*	Procurement	09/2019
02. Ensuring the life cycle of land vehicles	02-024	Land vehicles, paints and painting equipment	*	*	*	*	*	Procurement	09/2019
02. Ensuring the life cycle of land vehicles	02-029	Major repairs of unit vehicles	*	*	*	*		Procurement	05/2019
02. Ensuring the life cycle of land vehicles	02-031	Tools, machines and other equipment	*			*		Small purchase	06/2019
02. Ensuring the life cycle of land vehicles	02-032	Field kitchen parts	*	*	*	*	*	Procurement	09/2019
03. Maintenance and repair of water crafts	03-001	Modernising the ship control system (1 minehunter)		*	*			Procurement	09/2019
03. Maintenance and repair of water crafts	03-004	Small maintenance and repair work for navy ships	*	*	*	*	*	Small purchase	09/2019
04. Ensuring the life cycle of water crafts physically	04-004	MOB boat with outboard engine		*				Procurement	09/2019
04. Ensuring the life cycle of water crafts physically	04-005	Mooring, standing and safety tools	*	*	*	*	*	Procurement	07/2019
04. Ensuring the life cycle of water crafts physically	04-007	Force protection launch		*				Procurement	10/2019
05. Specialised technology for the navy	05-002	Forward-looking infrared camera (FLIR)					*	Procurement	09/2019
05. Specialised technology for the navy	05-011	Softmount protection plates for on-board weapons					*	Procurement	09/2019
05. Specialised technology for the navy	05-014	Maintenance for specialised technology of divers	*	*	*	*	*	Small purchase	09/2019
06. Naval communication and navigation equipment, surveillance and control systems	06-001	BRASS		*			*	Procurement	08/2019

06. Naval communication and navigation equipment, surveillance and control systems	06-002	Technical maintenance for BRASS system				*		Procurement	06/2021
06. Naval communication and navigation equipment, surveillance and control systems	06-005	Maritime surveillance	*				*	Small purchase	09/2019
06. Naval communication and navigation equipment, surveillance and control systems	06-006	Replacing the INTERCOM of minehunters	*					Procurement	04/2019
06. Naval communication and navigation equipment, surveillance and control systems	06-007	Updating the communication and navigation system of minehunters	*	*				Procurement	06/2019
07. Special equipment for the navy	07-003	Divator Lite 326.7 compressed air cylinder set	*					Procurement	04/2019
07. Special equipment for the navy	07-005	Rubber boat 8 in, hard bottom + engine					*	Procurement	07/2022
08. Aircrafts and special equipment for airports	08-004	Snow thrower		*				Procurement	09/2019
09. Ensuring the life cycle of aircrafts and special equipment for airports	09-005	Calibrating the tools and testing devices	*	*	*		*	Small purchase	08/2019
09. Ensuring the life cycle of aircrafts and special equipment for airports	09-006	Maintenance and repair materials for aircrafts	*	*	*	*	*	Small purchase	08/2019
09. Ensuring the life cycle of aircrafts and special equipment for airports	09-007	Calibrating the specialised tools and testing devices of the air force	*	*	*	*	*	Small purchase	08/2019
10. Air surveillance equipment	10-012	Mobile surveillance system			*			Procurement	06/2020
10. Air surveillance equipment	10-015	Simulation software for radar cover		*				Procurement	09/2019
11. Special equipment for the air force	11-002	Izlid, infrared laser		*				Procurement	09/2019
11. Special equipment for the air force	11-003	Map stand			*			Small purchase	06/2020
11. Special equipment for the air force	11-004	Knitted hat		*			*	Small purchase	08/2019
11. Special equipment for the air force	11-010	Aviator gloves			*		*	Small purchase	08/2019
11. Special equipment for the air force	11-012	Aviator warm underwear		*			*	Small purchase	08/2019

11. Special equipment for the air force	11-013	Aviator winter jacket	*		*		*	Small purchase	05/2019
11. Special equipment for the air force	11-015	Aviator torch			*			Small purchase	06/2020
11. Special equipment for the air force	11-016	Aviator infinity scarf	*		*			Small purchase	05/2019
11. Special equipment for the air force	11-018	Flight helmet lamp			*			Small purchase	06/2020
11. Special equipment for the air force	11-022	Maritime rescue helmet	*				*	Procurement	07/2019
11. Special equipment for the air force	11-023	Maintenance device for pilot helmet including training					*	Procurement	07/2022
11. Special equipment for the air force	11-024	Rescue boat with a trailer	*					Procurement	03/2019
11. Special equipment for the air force	11-025	Life rafts				*		Procurement	06/2021
11. Special equipment for the air force	11-028	Finger lamp			*			Small purchase	06/2020
11. Special equipment for the air force	11-029	TACP individual equipment set		*	*	*	*	Procurement	08/2019
11. Special equipment for the air force	11-030	TACP team equipment set		*	*	*	*	Small purchase	08/2019
11. Special equipment for the air force	11-031	Tactical SAR rescue beacon	*					Procurement	03/2019
11. Special equipment for the air force	11-033	Modernising the video signal receiver, conducting air attacks from the command posts of brigades and battalions			*		*	Procurement	07/2020
12. Navigation and communication systems for the air force	12-002	Technical support and spare parts for ASBE VOICECOM system			*	*	*	Procurement	07/2020
12. Navigation and communication systems for the air force	12-004	Updating the Audiosoft recording system		*				Procurement	10/2019
12. Navigation and communication systems for the air force	12-008	Updating the GPS clock	*				*	Small purchase	04/2019

12. Navigation and communication systems for the air force	12-011	Updating the surface-to-air radios of air base		*					Procurement	08/2019
12. Navigation and communication systems for the air force	12-012	Updating and installing the VOICECOM system for air base				*			Procurement	06/2020
12. Navigation and communication systems for the air force	12-013	Connecting the flight control system to the Tallinn Air Traffic Control		*					Procurement	10/2019
12. Navigation and communication systems for the air force	12-014	Updating the meteorological system of air base						*	Procurement	07/2022
12. Navigation and communication systems for the air force	12-019	Mobile Link 16 set				*			Procurement	06/2020
12. Navigation and communication systems for the air force	12-034	Updating the C2 system of the air force						*	Procurement	06/2022
13. Clothing, individual special equipment and personal protective equipment	13-001	Aiguillettes	*	*	*	*	*	*	Small purchase	10/2019
13. Clothing, individual special equipment and personal protective equipment	13-002	Active headphones	*	*	*	*	*	*	Small purchase	10/2019
13. Clothing, individual special equipment and personal protective equipment	13-004	Uniforms for guards of honour	*	*	*	*	*	*	Procurement	10/2019
13. Clothing, individual special equipment and personal protective equipment	13-005	Ballistic helmet, with a bullet-proof visor			*			*	Procurement	10/2019
13. Clothing, individual special equipment and personal protective equipment	13-007	Sunglasses with ballistic protection	*		*			*	Small purchase	06/2019
13. Clothing, individual special equipment and personal protective equipment	13-011	Clothing for special purposes	*	*	*	*	*	*	Small purchase	10/2019

13. Clothing, individual special equipment and personal protective equipment	13-013	Fleece	*	*	*	*	*	Procurement	08/2019
13. Clothing, individual special equipment and personal protective equipment	13-020	Map pockets					*	Procurement	07/2022
13. Clothing, individual special equipment and personal protective equipment	13-022	Hats and infinity scarves worn under the helmet	*	*	*	*	*	Procurement	06/2019
13. Clothing, individual special equipment and personal protective equipment	13-023	Helmet rubber	*	*	*	*	*	Small purchase	10/2019
13. Clothing, individual special equipment and personal protective equipment	13-025	Flak jackets and plates	*	*	*		*	Procurement	08/2019
13. Clothing, individual special equipment and personal protective equipment	13-027	Bullet-proof shield		*			*	Procurement	09/2019
13. Clothing, individual special equipment and personal protective equipment	13-029	Bullet-proof vest (worn under the shirt)			*		*	Small purchase	07/2020
13. Clothing, individual special equipment and personal protective equipment	13-034	Ship winter uniform and service uniform jackets	*	*	*	*	*	Procurement	10/2019
13. Clothing, individual special equipment and personal protective equipment	13-035	Flame protection mask and gloves	*					Small purchase	06/2019
13. Clothing, individual special equipment and personal protective equipment	13-037	Short trousers for physical training uniform	*	*	*	*	*	Procurement	10/2019
13. Clothing, individual special equipment and personal protective equipment	13-038	Seaman t-shirt	*					Small purchase	06/2019
13. Clothing, individual special equipment and personal protective equipment	13-039	Seaman uniform	*					Small purchase	06/2019

13. Clothing, individual special equipment and personal protective equipment	13-041	Coat fabrics	*	*			*	Procurement	10/2019
13. Clothing, individual special equipment and personal protective equipment	13-042	Medical unit uniforms	*	*	*	*	*	Procurement	10/2019
13. Clothing, individual special equipment and personal protective equipment	13-047	Parade gloves	*	*	*	*	*	Small purchase	10/2019
13. Clothing, individual special equipment and personal protective equipment	13-048	Plastic name tags	*	*	*	*	*	Small purchase	10/2019
13. Clothing, individual special equipment and personal protective equipment	13-056	Repair and maintenance service for national defence course equipment		*	*	*	*	Procurement	10/2019
13. Clothing, individual special equipment and personal protective equipment	13-063	Helmets for the armoured vehicle team	*		*	*	*	Procurement	05/2019
13. Clothing, individual special equipment and personal protective equipment	13-067	Tactical reflective vest	*					Small purchase	06/2019
13. Clothing, individual special equipment and personal protective equipment	13-072	Winter combat uniform	*	*	*	*	*	Procurement	08/2019
13. Clothing, individual special equipment and personal protective equipment	13-074	Service uniform fabrics			*	*	*	Procurement	06/2020
13. Clothing, individual special equipment and personal protective equipment	13-076	Service uniform hats	*	*	*	*	*	Procurement	10/2019
13. Clothing, individual special equipment and personal protective equipment	13-077	Service uniform belt	*	*	*	*	*	Procurement	06/2019
13. Clothing, individual special equipment and personal protective equipment	13-084	Fire-proof jumpsuit	*					Procurement	06/2019

13. Clothing, individual special equipment and personal protective equipment	13-086	Work and personal protective equipment	*	*			*	Small purchase	10/2019
13. Clothing, individual special equipment and personal protective equipment	13-088	Disposal and removal of equipment	*	*	*	*	*	Procurement	10/2019
13. Clothing, individual special equipment and personal protective equipment	13-089	Equipment bags	*	*	*	*	*	Procurement	10/2019
14. Traffic management, security and control equipment	14-001	Accelerometer, SP			*			Small purchase	06/2020
14. Traffic management, security and control equipment	14-002	Checkpoint set	*	*				Small purchase	07/2019
14. Traffic management, security and control equipment	14-003	Traffic management set		*				Small purchase	10/2019
14. Traffic management, security and control equipment	14-004	Traffic wand	*					Small purchase	07/2019
15.1 Weaponry	15.1-001	12.7 mm machine gun		*	*	*	*	Procurement	09/2019
15.1 Weaponry	15.1-003	9 mm pistol		*				Procurement	09/2019
15.1 Weaponry	15.1-005	Machine gun 7.62 mm			*		*	Procurement	09/2019
15.1 Weaponry	15.1-006	M-14 bayonet	*				*	Procurement	05/2019
15.1 Weaponry	15.1-009	Training weapons (airsoft)		*				Procurement	08/2019
15.2 Ammunition	15.2-004	122 mm ammunition				*	*	Procurement	09/2020
15.2 Ammunition	15.2-006	23x152 mm shell				*	*	Procurement	09/2020
15.2 Ammunition	15.2-007	23x152 mm blank cartridge					*	Procurement	09/2020
15.2 Ammunition	15.2-009	40x46 mm training grenade	*	*	*	*	*	Procurement	08/2019
15.2 Ammunition	15.2-013	76 mm smoke grenade				*		Procurement	06/2021

15.2 Ammunition	15.2-035	Flare 300 m	*				*	Procurement	08/2022

16. Observation and measuring instruments	16-002	Computation equipment set (STVP)			*	*	*	Small purchase	07/2020
16. Observation and measuring instruments	16-003	Binoculars			*			Procurement	06/2020
16. Observation and measuring instruments	16-004	Compass set				*	*	Procurement	08/2021
16. Observation and measuring instruments	16-005	Clinometer				*	*	Procurement	08/2021
16. Observation and measuring instruments	16-007	Hand compass				*	*	Procurement	08/2021
16. Observation and measuring instruments	16-008	Hand compass measuring set (STVP)				*	*	Procurement	08/2021
16. Observation and measuring instruments	16-009	Equipment set for meteorological squad (STVP)				*	*	Procurement	08/2021
16. Observation and measuring instruments	16-011	Thermal devices	*					Procurement	04/2019
16. Observation and measuring instruments	16-012	Fire control team set	*	*		*	*	Procurement	10/2019
17. Field engineering and NBC equipment	17-001	Demining equipment	*	*			*	Procurement	05/2019
17. Field engineering and NBC equipment	17-003	Fascines for field engineering tanks	*					Procurement	04/2019
17. Field engineering and NBC equipment	17-004	Manual metal detector set	*					Procurement	05/2019
17. Field engineering and NBC equipment	17-005	Charges and mines	*	*	*	*	*	Procurement	05/2019
17. Field engineering and NBC equipment	17-006	Detection set for explosives	*				*	Small purchase	03/2019
17. Field engineering and NBC equipment	17-007	Explosives	*		*		*	Procurement	05/2019
17. Field engineering and NBC equipment	17-008	Minesweepers for field engineering tanks					*	Procurement	06/2022
17. Field engineering and NBC equipment	17-009	Chainsaw set			*		*	Small purchase	06/2021
17. Field engineering and NBC equipment	17-010	Motorised drills				*	*	Procurement	06/2021
17. Field engineering and NBC equipment	17-011	Patrol boat set					*	Procurement	06/2022

17. Field engineering and NBC equipment	17-012	Field engineer special task system (PETS)	*					Procurement	05/2019
17. Field engineering and NBC equipment	17-013	Field engineer reconnaissance set	*					Small purchase	03/2019
17. Field engineering and NBC equipment	17-014	Field engineering materials	*	*	*		*	Procurement	05/2019
17. Field engineering and NBC equipment	17-015	Field engineering equipment	*	*	*	*	*	Procurement	05/2019
17. Field engineering and NBC equipment	17-016	Bomb mirror	*	*				Small purchase	05/2019
17. Field engineering and NBC equipment	17-017	Mine clearing line charge device					*	Procurement	05/2022
17. Field engineering and NBC equipment	17-018	Parts for bridge system TMM-3M	*					Procurement	05/2019
17. Field engineering and NBC equipment	17-019	NBC equipment	*	*	*		*	Procurement	05/2019
18. Ensuring the life cycle of weaponry, ammunition, observation and measuring equipment, and field engineering and NBC equipment	18-001	Modernisation set for 12.7 mm heavy machine gun					*	Procurement	05/2022
18. Ensuring the life cycle of weaponry, ammunition, observation and measuring equipment, and field engineering and NBC equipment	18-011	Parts for gas masks	*	*	*	*	*	Small purchase	05/2019
18. Ensuring the life cycle of weaponry, ammunition, observation and measuring equipment, and field engineering and NBC equipment	18-012	Parts for HK, weapon technician training	*	*	*	*	*	Procurement	05/2019
18. Ensuring the life cycle of weaponry, ammunition, observation and measuring equipment, and field engineering and NBC equipment	18-013	Accessories for K9 mobile cannon		*	*	*	*	Procurement	08/2019

18. Ensuring the life cycle of weaponry, ammunition, observation and measuring equipment, and field engineering and NBC equipment	18-014	Calibration device for firearms, device maintenance, parts, technician training		*	*	*	*	Procurement	08/2019
18. Ensuring the life cycle of weaponry, ammunition, observation and measuring equipment, and field engineering and NBC equipment	18-015	Firearm parts	*	*	*	*	*	Procurement	08/2019
18. Ensuring the life cycle of weaponry, ammunition, observation and measuring equipment, and field engineering and NBC equipment	18-017	Ammunition vehicle accessory set				*	*	Procurement	08/2020
18. Ensuring the life cycle of weaponry, ammunition, observation and measuring equipment, and field engineering and NBC equipment	18-020	Updating the Mistral and Giraff IFF Mode 5			*	*		Procurement	06/2020
18. Ensuring the life cycle of weaponry, ammunition, observation and measuring equipment, and field engineering and NBC equipment	18-028	Calibrator set equipment	*	*	*	*	*	Small purchase	08/2019
18. Ensuring the life cycle of weaponry, ammunition, observation and measuring equipment, and field engineering and NBC equipment	18-031	Release nozzles for blank cartridges	*	*	*	*	*	Procurement	08/2019
18. Ensuring the life cycle of weaponry, ammunition, observation and measuring equipment, and field engineering and NBC equipment	18-032	Release nozzles for blank cartridges (5.56 mm assault rifle HK G36)	*				*	Procurement	06/2019

18. Ensuring the life cycle of weaponry, ammunition, observation and measuring equipment, and field engineering and NBC equipment	18-033	Release nozzles for blank cartridges (for 5.56 mm assault rifles)		*			*	Procurement	08/2019
18. Ensuring the life cycle of weaponry, ammunition, observation and measuring equipment, and field engineering and NBC equipment	18-034	Release nozzles for blank cartridges (for 7.62 mm machine guns)			*		*	Procurement	08/2020
18. Ensuring the life cycle of weaponry, ammunition, observation and measuring equipment, and field engineering and NBC equipment	18-038	Cleaning device for heavy weapons, device maintenance, parts, technician training	*	*	*	*	*	Procurement	08/2019
18. Ensuring the life cycle of weaponry, ammunition, observation and measuring equipment, and field engineering and NBC equipment	18-039	Weapon disposal		*					10/2019
18. Ensuring the life cycle of weaponry, ammunition, observation and measuring equipment, and field engineering and NBC equipment	18-042	Ordering as-built drawings of weapon details		*	*	*	*	Small purchase	09/2019
18. Ensuring the life cycle of weaponry, ammunition, observation and measuring equipment, and field engineering and NBC equipment	18-046	Weapon slings		*	*	*		Procurement	09/2019
18. Ensuring the life cycle of weaponry, ammunition, observation and measuring equipment, and field engineering and NBC equipment	18-048	Weapon technician tool set	*	*	*	*		Procurement	10/2019

18. Ensuring the life cycle of weaponry, ammunition, observation and measuring equipment, and field engineering and NBC equipment	18-053	Parts for fire control sets	*	*				Procurement	10/2019
18. Ensuring the life cycle of weaponry, ammunition, observation and measuring equipment, and field engineering and NBC equipment	18-054	Fire control plate				*	*	Small purchase	06/2021
18. Ensuring the life cycle of weaponry, ammunition, observation and measuring equipment, and field engineering and NBC equipment	18-055	Maintenance and repair of Vectronix products	*	*	*	*	*	Procurement	10/2019
18. Ensuring the life cycle of weaponry, ammunition, observation and measuring equipment, and field engineering and NBC equipment	18-056	Tools and equipment set for field technical assistants (weaponry)			*		*	Procurement	06/2020
18. Ensuring the life cycle of weaponry, ammunition, observation and measuring equipment, and field engineering and NBC equipment	18-057	Field maintenance workshop equipment set			*	*	*	Small purchase	06/2020
19. Communication and IT equipment	19-001	1st and 2nd Infantry Brigade core network				*	*	Procurement	06/2021
19. Communication and IT equipment	19-002	Auxiliary module		*	*			Procurement	09/2019
19. Communication and IT equipment	19-004	ORS charger			*			Small purchase	06/2020
19. Communication and IT equipment	19-005	Charger TSIV, 6 spots		*				Small purchase	09/2019
19. Communication and IT equipment	19-006	Data cable CAT5		*				Procurement	09/2019
